2026 Donation Request Form

The Grapeview Community Association (GCA) has a long tradition of giving back to the greater Grapeview/North Mason County community, and we continue to honor that tradition year after year. It is our privilege to give back to the surrounding communities in a way that positively impacts those who live here, and we diligently seek sponsorship of organizations which fulfill our vision of “promoting the material and social welfare of our community”.

Decisions about recipients of GCA donations are typically made in November, although some special requests may be considered during the year.

Organization Name: _____

Contact: _____ **Contact Phone:** _____
